SDG Week forms part of the wider European Sustainable Development Week (ESDW) which this year, will run from 18 September – 8 October.

The Sustainable Development Goals (SDGs) remain the world's roadmap for ending poverty, protecting the planet and tackling inequalities. The 17 SDGs offer the most practical and effective pathway to tackle the causes of violent conflict, inequalities, climate change and environmental degradation and aim to ensure that no one will be left behind. They reflect an understanding that sustainable development everywhere must integrate economic growth, social well-being and environmental protection.

Through Their Eyes: Visual Voices from the START Programme - a Travelling Exhibition

Reflective Visual Representations Advocating for the Right to a Home, Inclusion and Participation in the Community

**OFFICIAL OPENING
MONDAY 22ND SEPTEMBER 3:00PM**

ENNISCORTHY LIBRARY
Lymington Road, Enniscorthy,
Co. Wexford

Light refreshments will be served!

This exhibition is part of a longitudinal study exploring the lived experiences of people housed through the START programme — a partnership between South East HSE Mental Health Service, Local Authorities, and Approved Housing Bodies.

People with mental health difficulties often face barriers in accessing housing. The START model provides secure tenancies and support to enable people to create and sustain a home, live independently, and support their recovery.

Through powerful photographs and captions, participants share their personal stories of recovery, inclusion, creating a home, and community life.
